Participants profile

- 30-35 participants: Social leaders, organizers, non profit staff
- Have an inclination for community organizing/adult education
- Willing to apply contents (replicating the workshops at the local level)
- Writing a final report summarizing the experience and lessons learned

What do they say about us?

"I wanted to thank you PEGI for these wonderful days of so much learning ... I've been working for 10 years at EL Centro and the analysis that we did about our work and the structures we talked about during the workshop, have given me another vision...Thank you so much! "

Evelyn Alarcon, El Centro, NC
